

5 WAYS

LEASE ACCOUNTING AND ADMINISTRATION
SOFTWARE INCREASES PRODUCTIVITY

TIME-EFFICIENCY

Provide both
accounting and admin
the ability to better
manage time by using a
centralized database

ACCURACY

Eliminate the need to
enter the same data
twice in different
systems and reduce
manual errors

ACTIONABLE INSIGHTS

Perform calculations that
benefit both admin and
accounting teams and
enable collaboration to
make smart decisions
about leases

EASY COMMUNICATION & NOTIFICATION

Notify anyone on the admin
and accounting teams
about any changes that
were made to data or lease
agreements

REPORT GENERATION & COMPLIANCE

Automate accurate
reporting, calculations
and compliance

Ready to simplify and improve lease accounting and
administration in a single centralized platform?
