

Yardi® At Home Care

YARDI AT HOME CARE

Provide exceptional care to clients who wish to age in place

Extend your services across the continuum of care without compromising on quality. Yardi At Home Care gives senior living providers a simple way to schedule, manage and bill non-medical care for clients outside their communities.

SIMPLIFY RECORD KEEPING

Establish care plans and easily keep track of services from the back office.

INCREASE PRODUCTIVITY

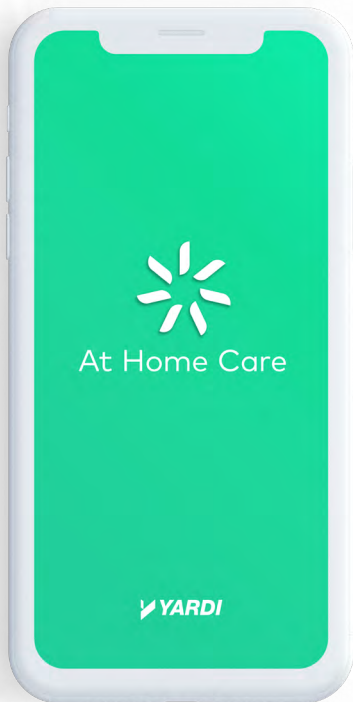

Allow caregivers to quickly chart at the point of care on mobile devices.

IMPROVE COMPLIANCE

Eliminate paper records, reducing errors and manual compliance checks.

FEATURES

YARDI AT HOME CARE

CARE PLANS

Ensure that caregivers provide the right services to the right client with up-to-date care plans.

MOBILE CHARTING

Maintain accurate documentation by letting caregivers electronically chart tasks during their visits.

SCHEDULING

Manage appointments using a calendar that factors in designated coverage areas and work hours.

REPORTING

Streamline billing, compliance and oversight with comprehensive assessments and real-time reports.

NAVIGATE THE NEXT GENERATION OF SENIOR LIVING

Yardi At Home Care is part of the Yardi Senior Living Suite for senior living providers. Unite your property management, finance, marketing, resident care and more on a single connected solution.
