

CommercialEdge

COMMERCIALEDGE COMMISSIONS

Manage commissions with a single software

Centralize all deal data, automatically generate and send invoices and streamline the most complex commission distributions in one platform. Gain valuable insights on brokerage financials and agent productivity with comprehensive dashboards and reports built for brokerage teams.

SIMPLIFY DISBURSEMENTS

Organize all deal data in one platform and automatically calculate complex splits, tiered plans, manager overrides and more.

ELEVATE PRODUCTIVITY

Increase your team's output with automated workflows and stay up to date on all performance metrics with real-time data on broker contributions and pipelines.

ACCESS DETAILED REPORTS

Gain understanding of your business and have full transparency across your teams with dashboards and reports for brokerage divisions and leasing teams.

FEATURES

COMMERCIALEDGE COMMISSIONS

STREAMLINED BACK-OFFICE OPERATIONS

Set up vouchers containing deal information, commission splits and invoice schedules. Enhance your back-office operations with centralized data and reporting, automated workflows and eliminate errors in commission calculations and disbursements.

AUTOMATIC & CUSTOMIZABLE INVOICES

Effortlessly create and send custom branded invoices and notify agents when invoices go out, commission checks come in and payments are made. Easily monitor invoices and keep track of upcoming due dates.

SEAMLESS INTEGRATION

Integrate with Yardi Voyager and Breeze to support cash, accrual or hybrid-based accounting, or make easy commission payments to inside or outside brokers with the Procure to Pay Suite. Set up custom integrations with other platforms of your choice.

EASY DISTRIBUTION CALCULATIONS

Automatically calculate the most intricate commission distributions, including complex splits, overrides and bonuses. Customize flat or tiered split plans based on gross commission, agent net or house net, or create multiple split plans for each agent.
