Who We Are

The CommercialEdge ILS network includes top-tier commercial real estate marketplaces that you can leverage to showcase your listings portfolio across top markets in Canada and the U.S. We offer the tools you need to enhance your CRE performance, from lead to lease, with ease.

The Fastest-Growing CRE Network

The brands that make up the CommercialEdge marketplace network are highly trafficked websites that rank on the 1st page of Google for all top markets.

Leverage the best that the CommercialEdge ILS network has to offer and stay ahead of the competition: give your best assets the highest visibility with Premium Listing placement across our entire CRE network.

Showcase your listings with the **Diamond Placement** option at the top of the page for your market, with your branding and your photos, for the best chance to connect with more prospective clients, boost your lead generation, and close deals faster.

COWORKING

Options for Premium Listings

The screenshot shows a premium listing card for 'Commerce Center'. At the top is a large image of a modern glass skyscraper. Below the image is a small 'COMPANY' logo and two profile photos of men in suits. The listing title is 'Commerce Center' with the address '10 Commerce Drive, Denver, CO 80112'. It lists 'Office / 124,317 SF' and 'Year Built 2002'. Availability is '1 Space / 7,493 SF' and 'For Lease \$21/SF/YR'. At the bottom are two buttons: 'View Details' and 'Contact Property'.

Diamond

Use this premium placement option to showcase your top listing, personalized with your logo and photo, at the very top of the search page. This option is available for only one listing per broker per market, and there are only two Diamond listings per market at a time. Claim yours!

The screenshot shows a premium listing card for 'Offices at Village Green'. At the top is a large image of a modern glass building. Below the image is a small heart icon. The listing title is 'Offices at Village Green' with the address '1 & 2 Village Green Circle, Austin, TX 78759'. It lists 'Office / 179,864 SF' and 'Year Built 2007'. Availability is '2 Spaces / 32,546 SF' and 'For Lease \$29/SF/YR'. At the bottom are two buttons: 'View Details' and 'Contact Property'.

Gold

With Gold premium placement, your listings appear above all other listings on search pages in your market (right after Diamond listings). The Gold tier is your best value option, as you can secure premium placement for two listings per market, per asset class. Choose your two best assets and give them the Golden treatment!

We Host Listings of All Property Types

Our growing CRE marketplace network is curated specifically to meet the needs of CRE professionals and is expertly designed to showcase your portfolio, regardless of property type.

Office Space

Market your office listings for lease or for sale across our network of office-optimized marketplace sites. Our brands offer coverage of all popular office markets across the U.S. and Canada.

Coworking & Shared Space

Get automatic syndication across our dedicated coworking & shared space platforms, as well as other CRE marketplaces. Leverage the most powerful coworking software on the market to manage your bookings, collect leads, and more!

Warehouse, Logistics, and Flex

Promote and manage your portfolio of industrial and flex listings with CommercialEdge. Our network covers all of the hottest industrial markets in the U.S., as well as high growth-potential secondary markets, and beyond.

Retail Space

List your space easily and syndicate your listing across top-ranking marketplaces to connect with potential clients — retailers, entrepreneurs, and any businesses big or small that are looking to set up shop in a space just like yours!

Audience Engagement

Our network attracts millions of visitors each month, who find us and run listing searches from a variety of devices and spend an average of nearly 2 minutes on site per session.

Beyond ILS: CommercialEdge Research & CRM

The CommercialEdge end-to-end solution goes beyond the tenant-facing marketplaces:

Deal Manager

The most advanced CRE deal-making and CRM software, designed to accelerate and simplify your leasing process through tailored automation, sophisticated deal metrics, and real-time portfolio information.

Legal

Centralize collaboration, track revisions, and streamline legal operations with our intuitive workflows that enhance oversight while minimizing legal costs.

Commissions

Leverage integrations with Yardi Voyager, Yardi Breeze, and CommercialEdge Deal Manager to automate back-office operations, manage invoices and agent payments, and more, with our complete commission and back-office solution.

Research

Intuitive tools powered by Yardi market intelligence offer in-depth property and market insights, as well as options to compile customizable, ready-to-print branded PDF reports, build digital tourbooks, canvass effectively, and discover new business opportunities.
