

YARDI CONCIERGE

Provide a top-tier customer experience

Offer expanded online services with Yardi Concierge. Enable residents, tenants and owners to track deliveries, reserve amenities, authorize guests and more.

IMPROVE RETENTION

Deliver a fast, interactive and user-friendly experience through any mobile device.

DRIVE PRODUCTIVITY

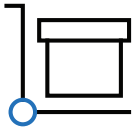

Save time and streamline processes with an integrated concierge solution.

CENTRALIZE DATA

Manage requests, reservations and activities from one dashboard.

FEATURES

YARDI CONCIERGE

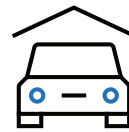

PACKAGE MANAGEMENT

Manage all package-related tasks from one place. Provide delivery or pickup notifications by email or text.

AMENITY RESERVATIONS

Empower users to view availability, make reservations, pay and sign documents online.

PARKING PASSES

Create and track parking passes for residents, tenants, guests and other property visitors.

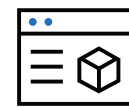

AWAY NOTICES & SERVICES

Let users submit away notices and sign up for services like mail holds, pet care and more.

INCIDENT REPORTING

Document incidents, automate notifications, flag for possible formal violations and distribute reports.

MARQUEECAFE

Customize your onsite screen to show packages for pickup, amenity reservations, weather, announcements and more.

ONE SEAMLESS SOLUTION FOR MULTIPLE PROPERTY TYPES

Yardi Concierge is built into Yardi Voyager, RentCafe and CommercialCafe to make concierge services easier for multifamily, condo, co-op, HOA, student housing and commercial portfolios.
