

YARDI COROM

A SaaS platform to manage all aspects of your corporate leasing and accounting

Corporate Lease Manager puts comprehensive lease data and functionality at your fingertips. Deal management workflows, lease management functions and a FASB/IFRS compliant lease accounting system, now in one powerful platform.

INCREASE PORTFOLIO TRANSPARENCY

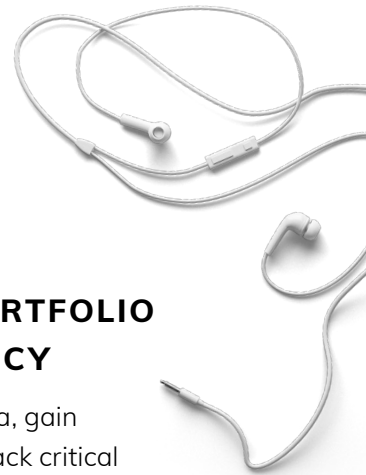

Centralize lease data, gain portfolio insights, track critical dates, receive notifications and collaborate with all stakeholders.

IMPROVE COMPLIANCE

Calculate and report financials compliant with FASB/IFRS via an end-to-end accounting system used by global REITs and occupiers.

FACILITATE TRANSACTIONS

Track space requirements and milestones, analyze proposals and collaborate with external brokers with powerful workflows to execute deals.

YARDI COROM

BETTER VISIBILITY

Gain at-a-glance portfolio and performance insights with dashboards and a tailored reporting suite.

FINANCIAL COMPLIANCE

Improve ASC 842 and IFRS 16 reporting accuracy by generating and tracking payables and receivables with an accounting system layered on top of Yardi Voyager.

FASTER EXECUTION

Take deals from proposal through lease execution in a collaborative workflow with internal and external stakeholders.

FACILITY INSIGHTS

Manage work orders, visualize risk and track schedules and budgets across lease portfolios.

EASY-TO-USE

Leverage an intuitive look and feel with easy navigation that enables successful adoption and rollout.

IMPROVE COMMUNICATION

Interactive chat feature enables real-time collaboration, improving efficiency and accuracy.

Optimize efficiency, improve compliance and reduce risk with a comprehensive lease management solution.
