

YARDI EHR

Ensure the best care possible for residents

Empower your caregivers with a mobile electronic health record solution for assessments, care planning, incident tracking, wound care, behavior management and more. Yardi EHR enables staff to collaborate and coordinate care like never before.

RAISE SATISFACTION

Simplify charting to give caregivers more time with residents.

REDUCE RISK

Limit liability through clear recordkeeping and proactive care.

INTEGRATE BILLING

Capture care costs from assessments with seamless integration.

FEATURES

YARDI EHR

CARE PLANS

Conduct regular health assessments to create custom care plans for each resident.

MOBILE APPS

Streamline point-of-care charting and assessments with apps for iOS and Android.

EMAR INTEGRATION

Ensure safe, effective medication management with Yardi eMAR available built in.

CLINICAL INTELLIGENCE

Gain executive oversight through advanced clinical reporting and financial data.

NAVIGATE THE NEXT GENERATION OF SENIOR LIVING

Yardi EHR is part of the Yardi Senior Living Suite for senior living providers. Unite your property management, finance, marketing, resident care and more on a single connected solution.
