

Yardi® Aspire

Create a personalized learning experience that maximizes time spent learning,  
improves employee confidence, boosts morale and increases job satisfaction

# Yardi Aspire

Get more value from your training budget. Yardi Aspire eclipses traditional staff training programs with on-demand digital content designed to improve job performance, reduce staff turnover and eliminate outdated teaching methods.

## Remove Barriers to Learning

From the moment they open the software to the moment they complete their training, the user experience needs to be seamless. That's why Yardi Aspire integrates with all the main identity providers, including YardiOne to allow employees to bypass the need to log in to learn. The personalized student dashboard, training recommendations and assignments, and customized course and event catalog target relevant competency areas that support the independent, proactive learner. Custom Learning Plans allow the employee to view their training plan and learning steps unlock automatically as prerequisite steps are completed.

## Automate User Management

Save time and avoid input errors with automated data transfers. Yardi Aspire supports data transfer to and from third-party learning management, talent management and HR systems. Administrators can set up automated, regularly-scheduled data transfers that streamline employee onboarding, reduce training administrative costs and ensure accurate reporting by consolidating students' comprehensive training activities.

## Customize Your Catalog

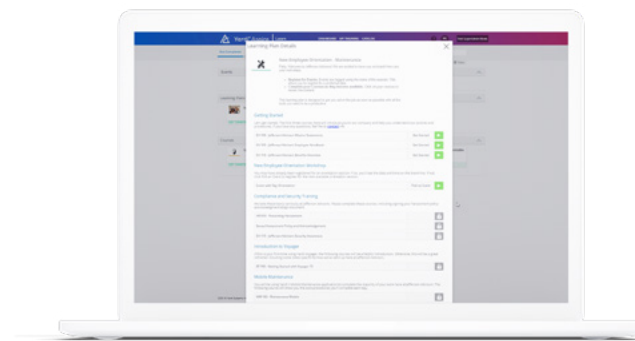

Yardi Aspire users have unlimited access to over 1,100 engaging elearning courses that provide variety of immersive software training across the Yardi product suites. Yardi Aspire Plus and Yardi Aspire Premier clients benefit from hundreds of courses in compliance, safety, leadership, leasing, professional development and more. All courses promote active learning with multimedia, animations, branching, hot spots, software simulations, virtual reality and interactions incorporated throughout. Clients can customize the courses using in-platform authoring tools to incorporate important company policies, procedures and custom messaging.

## Increase Staff Compliance

Keep staff informed and prepared to comply with the latest legislation and changing regulations. Yardi Aspire compliance courses not only describe the laws, but provide relevant examples to help your staff stay aware of potential areas of risk relevant to their role in the organization. Current offerings include Federal Fair Housing education (general and maintenance technician-specific) and harassment training (employee and supervisor versions). Flexible Bilingual Spanish versions allow your team members to select their own language preference while you issue and monitor completion on a single course.

## Craft Learning Plans by Role or Competency

Yardi Aspire's learning plan feature is a quick, strategic way to communicate what self-paced courses, events, tests, eSign documents and surveys must be completed for a specific training program to be considered completed. Control the order and assignment timing, plus completion due dates within each plan. Yardi Aspire offers nearly 100 role-based learning plan templates and mini-certification templates that can be used as is or customized to fit your organization's needs.

Role-specific course suggestions make it simple for learners to sign up for appropriate classes.

## Make Live Events More Effective

Gain centralized management tools for classroom, webinar and in-person events. Trainers can schedule single or recurring events, interface with integrated web conference and meeting tools such as Zoom, Webex™, Adobe® and Citrix® to import actual attendance data into your Yardi Aspire reporting. Extend your training program by importing free, Yardi-taught software training webinars on a variety of Yardi products. Integration helps trainers eliminate costly data entry errors, organize their calendar of events, manage attendance and report on student attendance. Yardi Aspire makes it easy to distribute training materials and set up pre- and post-event surveys to measure effectiveness of live events.

## Organize Employee Resources

Make it easy for Yardi Aspire users to find exactly what they need to make training more successful and their everyday work more efficient. Yardi Aspire administrators can use searchable and securable resource containers to curate relevant content from many different sources and deliver it to specific groups of users who need it most. Yardi Resource templates are available to quickly set up a rapid learning library of Yardi software training videos and quick reference sheets on a variety of Yardi product topics.

## Sign Documents Digitally

eSign is a time-saving and paperless feature built into your Yardi Aspire university that allows you to upload your organization's PDFs and build a digital library of documents that can be signed electronically to acknowledge policy statements or certify completion of goals and tasks. With eSign, users can insert custom signature files, select from included templates or create one from scratch on a tablet. eSign also has text fields which enable users to insert comments into the form. Eliminate the need to download, print, sign, scan, upload or email forms. Get it all done online quickly and with a convenient, digital audit trail.

## Collect Employee Input

Create custom surveys and assess response data without leaving Yardi Aspire. Gain faster access to survey responses and analyze data easier by avoiding import/export from third-party survey software. Collect company-wide feedback by sending surveys via platform email or in a resource container. Gain learner input by including surveys in your courses courses and learning plans. Insert surveys in event descriptions to gauge registrant's learning goals, experience level and dietary restrictions. Schedule surveys to send automatically after live events to elevate instructor performance, training effectiveness and class feedback.

## Use SCORM Courses In Yardi Aspire

Yardi Aspire supports SCORM courses created in other authoring platforms, or those purchased from third-party vendors. Upload your external SCORM courses as a page within a course and issue it as a step in a learning plan. Customize the SCORM-based course using Yardi Aspire authoring tools to add custom pages that embellish the off-the-shelf content with your organization's unique twist, like custom procedures, policies, tests, eSign documents and assignments before and after the SCORM course. Customizing SCORM content has never been so easy.
