

# Aspire Plus & Platinum Packages

Streamline training & boost performance with Yardi Aspire

Yardi Aspire is your go-to, industry-specific learning management solution designed to empower employee development in a way that's simple, intuitive and effective. With Aspire, your organization can seamlessly manage onboarding, policy updates and role-based training with a platform that's built to scale. Aspire gives you exclusive access to Yardi's comprehensive training catalog, featuring hands-on training for Yardi software and a full suite of courses to support all your staff training needs.

Aspire's content is crafted for maximum impact with short, immersive and easily digestible learning experiences that are maintained by Yardi's professional learning and development team and fully customizable to fit your organization's needs. Training is available through three convenient methods: the Aspire LMS, the mobile app and directly within Yardi software, ensuring accessibility and flexibility for every employee.

## ASPIRE DELIVERS TRAINING ACROSS THESE KEY AREAS:

- Yardi software
- Compliance & workplace essentials
- Industry-specific education
- Safety & risk prevention
- Leadership & supervisory skills
- Professional & personal growth

# Aspire Packages

Select from two package options.

Aspire makes training easy and efficient, helping you drive employee engagement, boost compliance and maximize productivity. Best of all, Aspire integrates seamlessly with your existing systems, including Voyager, HR, payroll, Microsoft Teams, Zoom, Help Desk Ticketing and more.

## WHICH ASPIRE PACKAGE IS RIGHT FOR YOU?

### ASPIRE PLUS

Ideal for organizations seeking a comprehensive training solution with essential tools for onboarding, compliance and performance management.

### ASPIRE PLATINUM

Perfect for those who need advanced content customization, deeper learner engagement and enhanced system and content integration capabilities.

## Ready to scale up?

When you're ready to take your training to the next level, upgrading to **Aspire Platinum** is simple and seamless. Enjoy advanced features and customization at your own pace.
