

**Yardi Energy**

## **ENERGY SUITE FOR MILITARY HOUSING**

### Manage military housing properties more efficiently

Streamline utility billing and invoice processing for privatized military housing. Automate resident billing, manage payables electronically and gain real-time insights into consumption and cost recovery. Improve accuracy, reduce manual work and support stronger operational control across your portfolio.

#### **IMPROVE UTILITY BILLING**

Improve accuracy with automated billing based on submetered consumption, direct resident billing and online payment tools that strengthen cash flow.

#### **ENHANCE SERVICE & OVERSIGHT**

Strengthen operations with 24/7 customer support, regulatory expertise, bill monitoring and audits that help identify errors and ensure compliance.

#### **GAIN ACTIONABLE INSIGHTS**

Identify leaks, mechanical issues and usage anomalies with built-in analytics that help reduce waste and improve recovery.

# FEATURES

## ENERGY SUITE FOR MILITARY HOUSING

### AUTOMATED BILLING

Automate utility allocations and resident billing using submeter data. Improve accuracy, reduce manual processes and support timely cost recovery for vacant units.

### RESIDENT SELF-SERVICE

Offer service members instant access to online bill payments, statements and usage data that help them project monthly consumption.

### INVOICE PROCESSING

Consolidate and pay utility invoices electronically. Speed approvals, strengthen controls and gain visibility with analytical reports on cost and consumption.

### USAGE ANALYTICS

Detect abnormal consumption, leaks or mechanical issues and notify responsible parties to reduce waste and recover overages efficiently.

### EXPERT SUPPORT

Rely on ongoing assistance from dedicated service teams and regulatory specialists who monitor bills, track rule changes and perform audits.

### POWER YOUR PORTFOLIO

Move your business forward with the Yardi Energy Suite, a single connected solution that unifies energy management and property operations. Let's connect and explore what's possible for your business.
