

INCOME VERIFICATION

Approve quality residents faster

Replace manual screening efforts with a fast and multilayered system. Quickly vet income using a combination of automation and AI to validate employment history, banking information and paystubs. Achieve one of the highest completion rates in the industry.

REDUCE RISK

Protect assets by creating an additional layer of fraud prevention.

INCREASE CONFIDENCE

Use big data and machine learning to optimize applicant screening.

SECURE APPLICANTS

Make it easier for applicants to become residents.

FEATURES

SCREENINGWORKS PRO INCOME VERIFICATION

INSTANT VERIFICATION

Accelerate income confirmation through automation and AI working with the nation's largest source of real-time income data.

FLEXIBLE OPTIONS

Expedite processes for both parties. Offer applicants open banking or paystub uploading to confirm their current income.

AUTOMATED PROCESSES

Save time and increase efficiency by eliminating manual verification processes. Reduce oversights and inaccuracies.

COMPREHENSIVE RECORDS

Get access to 350+ million records from over 80% of Fortune 500 companies and federal employers via The Work Number.

VERIFY WITH EASE

Screening applicants is now easier — and faster — than ever. Add Income Verification to ScreeningWorks Pro for a complete fraud management system that fully integrates with Yardi Breeze Premier.
