

Yardi Manufactured Housing Suite

Optimize your business from marketing, leasing and resident services to operations, accounting and reporting on a turnkey manufactured housing management software platform.

Yardi Voyager Manufactured Housing

Leverage an industry-leading property management and accounting solution built specifically for the unique needs of the manufactured housing industry.

- Track home and lot data in one place with unlimited user-defined fields and pre-built fields covering home status, type and specifications, ownership and financial details
- Empower your community managers with their own dashboards for complete visibility into resident activity, maintenance, traffic and other community statistics – with drilldown to the underlying data
- Save hours with instant reporting on your inventory, vacant homes and lots, sales and more
- Gain peace of mind with an award-winning cloud solutions provider that keeps your real estate software running smoothly and your data safe
- Add built-in smart additions for marketing, online payments, service requests, utility billing and more for a single connected solution across your business

RENTCafé & RENTCafé CRM Manufactured Housing

Gain a full online marketing solution with mobile resident and owner services that make it easy for prospects to find and apply for your communities – and for your residents to enjoy them.

- Expedite the leasing and sales cycles with complete online document execution and submission for prospects and lenders
- Capture prospects via dynamic marketing websites with appealing designs and features
- Offer convenient online payments and service requests that help your staff work more efficiently and keep you connected with your residents
- Mobilize your workflows and leverage the only built-in CRM tool for manufactured housing prospects and residents
- Improve marketing performance and ROI with reporting and analytics and instill data consistency from your front to back office

Yardi Payment Processing

Automate rent and fee collection to maximize cash flow with three convenient options for residents: Yardi Online Payments, Yardi CHECKscan and RENTCafé TextPay. Speed up rent collection, eliminate bank runs and reduce fees with electronic payments and automated deposits integrated with Voyager.

Yardi Procure to Pay

Go paperless and streamline accounts payable with electronic invoice processing and payments, online catalogs, approval workflows and reporting. Gain complete spend visibility and reduce per-invoice costs with automated online approvals. Plus, gain access to more than one million MRO products with Yardi Marketplace.

Yardi Advanced Maintenance

Schedule, track and manage all preventative, routine and emergency maintenance from your desktop or mobile device — and get modules and apps for managing inspections and fixed assets at no extra cost.

Yardi Notes & Mortgages

Execute your loan servicing or management obligations across your portfolio with a single technology platform that manages all compliance, payment processing and reporting obligations.

Additional services for manufactured housing

There's even more to help you run your business smarter. Add the following seamless services to complete your single connected solution.

- Budgeting and forecasting
- Resident screening
- Renters insurance
- Construction management and job costing
- Organization-wide document management
- Utility billing and energy management
