

Yardi® Procure to Pay

MARKETPLACE

Standardize & simplify
the maintenance,
repair & operations
purchasing process

Automate and streamline purchasing for all properties in one centralized procurement platform with access to over 2 million MRO products. Choose from major national suppliers or upload your own vendor catalogs.

SIMPLIFY SHOPPING

Purchase from leading suppliers in store, online or with the app.

SAVE TIME

Automate recurring orders with personalized lists and electronic invoicing.

GAIN FINANCIAL INSIGHT

View detailed analytics on organizational spend.

FEATURES

MARKETPLACE

MOBILE PURCHASING

Use the Marketplace app to shop anywhere, at any time.

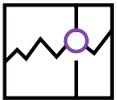

PAPERLESS PROCESSING

Approve orders, receive electronic invoices and automate payments securely online.

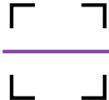

CUSTOMIZED SHOPPING LIST

Configure personal shopping lists for convenient order replacement. Intuitive search and product comparisons help quickly find preferred items.

POWERFUL REPORTING

Get complete analytics into spend and compliance at the property and organizational level.

YARDI PAYSCAN INTEGRATION

Electronic invoices flow directly into PayScan.

END-TO-END PROCUREMENT

Leverage all products in the Procure to Pay Suite to maximize savings and operational efficiencies.

Efficiently onboard and manage vendors, simplify purchasing, streamline approvals and electronically pay vendors with Yardi's Procure to Pay Suite.
