Mortgage Relief

YARDI RELIEF SOLUTIONS

All-in-one solution for management of government-funded economic relief programs

Streamline the application collection, review and payment processing of government funds. Yardi technology is used by 20 states, county, and city-level agencies, distributing over $50M of ERAP funds in July alone.

Mortgage Relief

Expedite Homeowner Assistance Fund payments with a CDF integrated solution.

Rent Relief

Distribute Emergency Rental Assistance funds to renters and landlords quickly.

Core Relief

Manage economic recovery grants with a configurable, comprehensive solution.
