

Yardi® Procure to Pay

YARDI PAYSCAN

Reduce friction
across all elements
of your accounts
payable process

Provide your team with a convenient, efficient accounts payable solution that offers real-time budget visibility. Reduce errors and improve processing time with automated approvals.

SAVE TIME

Eliminate manual invoice creation and data entry in order to focus on more high valued tasks.

GAIN TRANSPARENCY

Centralized, 360-degree view of transactions and audit trail from payment to invoice and all related records.

INCREASE CONTROL

Gain portfolio-wide oversight of organizational spend.

FEATURES

YARDI PAYSCAN

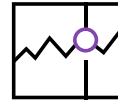

PAPERLESS INVOICE PROCESSING

Reduce costs associated with copying, mailing and storing paper invoices.

MOBILE ACCESS

Work on the go with the PayScan mobile app. Manage payables and approvals from anywhere.

POWERFUL ANALYTICS

Easily identify problem areas for continued improvement throughout the procure to pay process.

DATA INTEGRATION

View related purchase orders, work orders and contracts from the invoice.

END-TO-END PROCURMENT

Leverage all products in the Procure to Pay Suite to maximize savings and operational efficiencies.

Efficiently onboard and manage vendors, simplify purchasing, streamline approvals and electronically pay vendors with Yardi's Procure to Pay Suite.
