YARDI PAYSCAN FULL SERVICE

Reduce friction across all elements of your accounts payable process

Go paperless and let Yardi receive, scan and input your vendor invoices to reduce errors and accelerate processing time. Set up approval workflows through PayScan for complete visibility.

SAVE TIME
Eliminate manual invoice creation and data entry in order to focus on more high valued tasks.

GAIN TRANSPARENCY
Centralized, 360-degree view of transactions and audit trail from payment to invoice and all related records.

INCREASE CONTROL
Gain portfolio-wide oversight of organizational spend.
