

RENTCafé CRM Flex

Lease the way you need to and manage multiple leasing workflows. RENTCafé CRM Flex offers flexible leasing designed to fit the needs of your residential portfolio. Accommodate traditional leasing, student housing, corporate housing, short-term rentals and co-living spaces in one system.

Present prospects with multiple leasing options on your RENTCafé property marketing sites and then seamlessly manage the leasing life cycle with RENTCafé CRM Flex.

MULTIPLE LEASE TYPES, ONE FLEXIBLE SYSTEM

Student housing: Rent by the room or bed with workflows for wait-list and guarantor management.

Corporate housing: Combine corporate master leases with occupant-specific workflows and furnished unit functionality.

Traditional leasing: Conduct comprehensive leasing and renewal workflows for traditional lease terms.
