

Self-service delivers on RENTCafé Kiosk

Add convenient self-service to your list of perks with RENTCafé Kiosk.

Get the hands-on app for prospects, residents & agents

Offer a simple, attractive way for prospects to learn more about your properties and complete rental applications on site. RENTCafé Kiosk is a self-service tablet app that walks prospective renters through the entire leasing workflow. It also assists residents with concierge services and saves leasing agents time.

RENTCafé Kiosk creates an approachable and engaging prospect and resident experience while reducing technology barriers at your leasing offices.

Invite prospects to explore, apply & lease

- Encourages prospects to discover your community by providing self-service kiosk access to property photos, amenities, floor plans and available units.
- Allows users to create guest cards, save rental preferences and send custom eBrochures.
- Prevents duplicate records with automatic prospect-match technology.
- Walks prospects through online applications, from start to finish, including paying related fees and self-screening.
- Lets approved applicants complete and sign a lease, right at the kiosk.

Give residents more control

- Helps residents reserve amenities and sign for packages.
- Minimizes distractions when your office is busy.

Activate agent mode

- Gives agents secure access to front-office tools with a touch of a button.
- Displays agents' queues, property traffic and resident activity. Agents can view service requests, manage appointments and countersign lease documents.
- Scans inbound resident packages and resident package pick-ups (with Yardi Concierge).

Enjoy a seamless user experience

- Integrates with RENTCafé and RENTCafé CRM for real-time data updates.
- Uses Touch ID for simple and secure user access.
- Works online or offline. If used in offline mode, auto-syncs as soon as a connection is reestablished.
