

RentCafe®

RENTCAFE LEASE DOCS

Make leasing easier with a built-in lease document library

Access a comprehensive lease document library built into RentCafe. Save time and legal costs using continuously updated, industry standard lease forms specific to the location of your property. Choose from a wide range of addenda designed to fit almost any scenario.

STREAMLINE LEASING

Lease documents available for 40 states and the District of Columbia, including a wide range of county and city forms.

STAY CURRENT

Lease confidently with forms created and maintained by Yardi.

MEET YOUR NEEDS

Create custom documents to add to a lease packet.

FEATURES

RENTCAFE LEASE DOCS

SIMPLE WORKFLOWS

Eliminate errors and streamline the electronic leasing process. Lease data points pull directly from Voyager and Site Manager.

LOCALIZED ADDENDA

Meet the unique needs of your properties and residents with our ready-to-use local addenda and forms for pets, parking and more.

LEGAL RESOURCES

Stay informed and compliant with document changes, new laws and regulations. Ensure you have the latest legal information to confidently manage your properties.

DEDICATED SUPPORT

Be confident that your forms are up-to-date. Our legal team provides agile responses to requests and ensures documents conform to current laws.

ENJOY QUICK IMPLEMENTATION & SEAMLESS INTEGRATION

Start leasing quickly with preconfigured forms. RentCafe Lease Docs is built into RentCafe and RentCafe CRM IQ, creating a smooth user experience for your customers and leasing teams.
