

RentCafe®

RENTCAFE LEASE DOCS

Make leasing easier with a built-in lease document library

Access a comprehensive lease document library built into RentCafe. Save time and legal costs using continuously updated, industry standard lease forms specific to the location of your property. Choose from a wide range of addenda designed to fit almost any scenario.

STREAMLINE LEASING

Select from a variety of state, city and local lease documents.

STAY CURRENT

Lease confidently with forms created and maintained by Yardi legal resources.

MEET YOUR NEEDS

Create custom documents to add to a lease packet.

FEATURES

SIMPLE WORKFLOWS

Eliminate errors and streamline the electronic leasing process. Lease data points pull directly from your Yardi database.

LOCALIZED ADDENDA

Accommodate the unique needs of your properties and residents with ready-to-use city and other local addenda language for pets, parking and more.

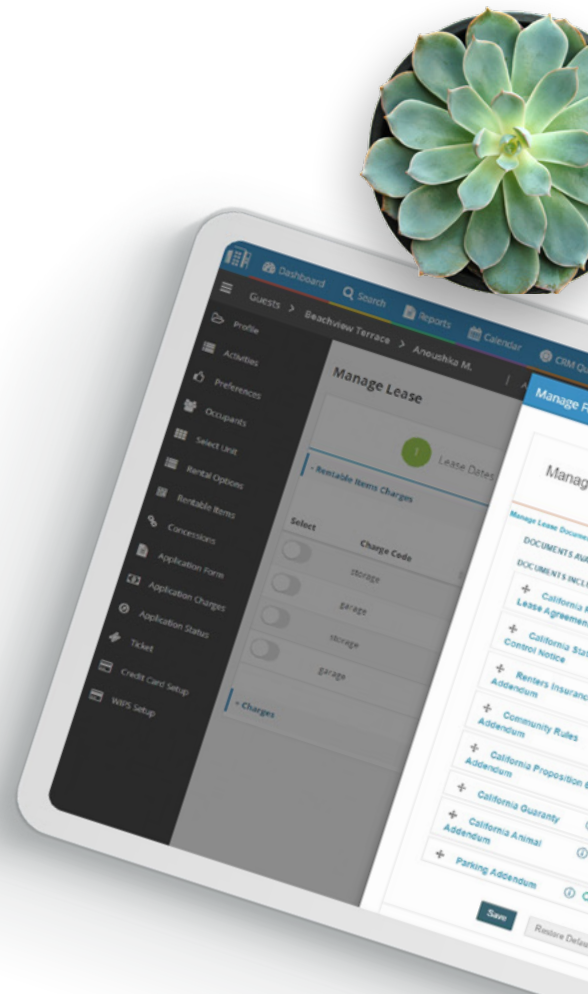

HELP CENTER

Find information specific to leases and addenda. Learn about any changes due to regulatory updates.

DEDICATED SUPPORT

Be confident that your forms are never out of date. Our legal team provides agile response to requests and ensures documents conform to current law.

ENJOY QUICK IMPLEMENTATION & SEAMLESS INTEGRATION

Start leasing quickly with preconfigured forms. RentCafe Lease Docs is built into RentCafe and RentCafe CRM Flex, creating a smooth user experience for your customers and leasing teams.
