RENTCAFE RESIDENT

Increase convenience with a resident app

Enhance the renter experience with RentCafe Resident, our highly rated resident app available on the App Store and Google Play. Residents can securely view balances, make payments, submit maintenance requests and engage with their communities at any time.

MAKE RENTING EASY

Combine all the services and resources residents need into one user-friendly app.

MODERNIZE ENGAGEMENT

Allow residents to communicate directly with site staff and each other.

KEEP IT SIMPLE

Provide a single, intuitive interface that eliminates the need for third-party integrations.

FEATURES

RENTCAFE RESIDENT

CONVENIENT PAYMENTS

Offer the full payment functionality of the RentCafe resident portal with added mobile options including Apple Pay and Masterpass.

EASY SERVICE REQUESTS

Allow residents to submit maintenance requests and view work order status and history without calling or visiting the office.

ONLINE LEASE RENEWALS

Residents can review new lease terms and rates, choose from available terms and finalize the renewal process from any mobile device.

BUILT-IN COMMUNICATIONS

Give your residents another way to communicate directly with your leasing office through the app.

KEEP RESIDENTS CONNECTED TO YOUR COMMUNITY

Meet renter expectations with an easy-to-use mobile app that allows residents to submit and track payments, lease documents and maintenance requests online.
