Attract renters and create more leasing opportunities with self-guided tours

Let prospects schedule and enjoy apartment tours at a time and pace that works for them. Discover an easy self-guided tour solution built into your property marketing platform that includes smart security features.

ADD CONVENIENCE

Make it easy to schedule a guided or self-guided tour on your websites.

LEASE MORE

Extend your leasing hours and offer more tours without adding staff.

GET SMART

Prioritize safety with ID verification, digital locks and motion sensors.

FEATURES

RENTCAFE SELF-GUIDED TOURS

ONLINE SCHEDULING

Offer guided and self-guided tour booking on your website. You control the timing and frequency.

ID VERIFICATION

Make sure prospects are who they say they are before they visit with advanced ID verification technology.

SMART HOME TECH

Provide a secure tour experience with easy smart locks and digital motion sensors.

GO PAPERLESS

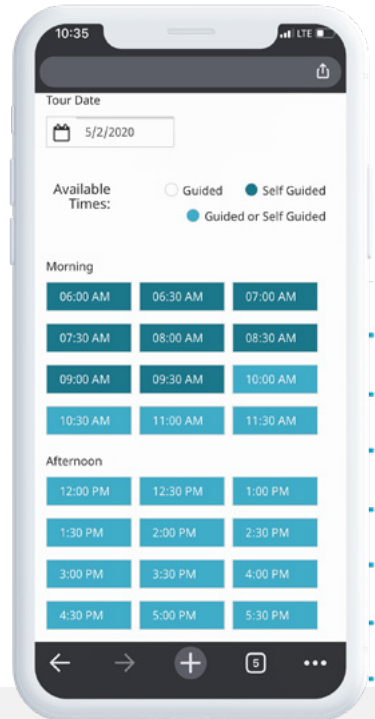

Create a connected leasing lifecycle. Starting with tours, you can go from prospect to resident to renewal completely online.

A BETTER USER EXPERIENCE FOR PROSPECTS & AGENTS

Online bookings instantly appear in your database with complete guest card information. Tours trigger automated confirmations and follow-ups by email or text. No apps to download, no cumbersome interfaces, no missing or incomplete data.
