RentCafe Senior living

Keep families connected through a secure online portal

Set your communities apart by offering the RentCafe Senior Living experience to your residents and their families — a mobile-friendly online site for managing payments, electronically signing documents, reviewing health and wellness, communicating with caregivers, submitting services requests and more.

IMPROVE COMMUNICATION
Help staff, residents and family members stay in touch from anywhere.

BOOST RESIDENT SATISFACTION
Offer convenient online options for common tasks like work orders.

PROVIDE PEACE OF MIND
Ensure loved ones have secure access to a resident’s health information.

RentCafe Senior Living

COMMUNICATION TOOLS
Make announcements, post comments on a bulletin board and exchange secure messages right from the portal.

RESIDENT SERVICES
Allow authorized users to electronically sign and manage documents, review financial statements, make bill payments and submit maintenance requests, all online.

HEALTH INFORMATION
Keep families informed with health data, such as medications and vitals, available in real time from Yardi EHR.

WELLNESS CALENDAR
Create a calendar of activities where residents can sign up and their loved ones can see they’ve attended.

EVERYTHING YOU NEED TO GROW
RentCafe Senior Living is part of the RentCafe Senior Living Suite for marketing. Enhance the resident journey with additional solutions for CRM, community websites, search marketing and more.
