Yardi Resident Screening

YARDI RESIDENT SCREENING

Approve quality residents in minutes, from anywhere

Make smarter and faster rental decisions with a complete resident screening software that accesses reliable data, creates comprehensive reports and automates the approval workflow fully integrated into Yardi Breeze Premier.

REDUCE RISK

Customize screening criteria to reflect and protect your brand.

INCREASE CONFIDENCE

Access credit scores and global data centres for a full applicant profile.

GO PAPERLESS

Provide prospects with secure online or mobile self-screening options.

YARDI RESIDENT SCREENING

AUTOMATED SCREENING

Screen faster and increase data accuracy by integrating with Yardi Breeze Premier.

COMPREHENSIVE DATA

Get results from thousands of international databases, including Equifax® and Certn®.

RENTAL HISTORIES

Eliminate the guesswork by accessing rental payment histories, evictions and tribunal records.

RISK MITIGATION

Set profile criteria tailored for each property in your portfolio to ensure you select quality tenants.

ANALYTICS AND REPORTS

View portfolio wide traffic and screening activity in the online executive dashboard, in real time.

COMPETITIVE EDGE

Know who is renting from you and keep your community safer with trusted results.

SCREEN WITH EASE

Fill your properties with low-risk residents and maintain a more profitable property operation with a secure online solution built to simplify the leasing workflow.
