# Help your residents build & protect their credit

Most residents work hard to pay their rent on time. They deserve credit for that. With Resident-Link, property managers can offer residents a path to better credit and greater peace of mind.

### **WIN TOGETHER**

Residents establish credit by paying on time. Property managers win at customer experience with a top amenity.

### **REDUCE FRAUD**

Automated monitoring protects residents against identity theft.

### **START QUICKLY**

There are no startup fees, and you never have to worry about program administration.
