ScreeningWorks PRO

DOCUMENT AUTHENTICATION

Catch even the most sophisticated fraud

With an AI-enabled fraud detection solution, automate document analysis and cut down on time spent processing rental applications.
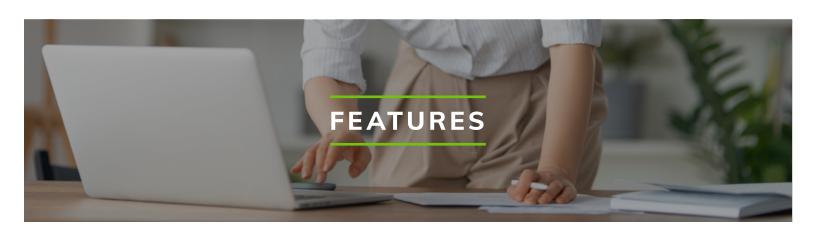

FIGHT FRAUD

Stop fraudsters in their tracks — before they ever step foot on your property.

REDUCE DISRUPTIONS

Prevent financial loss, reputational damage, evictions and other legal issues.

PROVIDE FULL TRANSPARENCY

Have a comprehensive report of every document authenticated, delivered to your screening dashboard.

DOCUMENT AUTHENTICATION

MULTILAYER PROTECTION

When layered with ScreeningWorks Pro's credit, rental and criminal checks, it's possible to reduce applicant fraud by 35% within four months.

FRAUD FORENSICS

Documents are checked for visual discrepancy, text insertion and font detection with 99.8% accuracy.

MORE TIME BACK

No need to train leasing agents or waste resources to combat the ever-changing nature of applicant fraud.

WE CATCH FRAUD SO YOU DON'T HAVE TO

Don't waste precious hours vetting every applicant yourself. Yardi and Snappt have partnered to give you affordable fraud detection technology that takes minutes per application.
