

ID VERIFY

Confirm applicant identity in seconds

Identify applicants with less friction than ever with a solution that's built into your leasing workflow. ID Verify validates the identity of online applicants by authenticating documents — such as driver's licenses and passports — using a combination of artificial intelligence and computer vision.

GET FAST RESULTS

Enable applicants to take photos of ID documents using smartphones or tablets.

REDUCE RISK

Verify site visitors for self-guided tours and catch fraudulent applications early.

GAIN VISIBILITY

Receive real-time analytics on one dashboard. No third-party logins required.

FEATURES

ID VERIFY

AUTOMATED VERIFICATION

Authenticate instantly. Use computer vision and AI to provide accurate and timely results.

SIMPLIFIED SECURITY

Start the verification process with the tap of a button. Then let ID Verify do the rest.

OPTIONAL BIOMETRICS

Leverage face comparison technology to contrast and confirm ID document photos with selfies.

SCREEN WITH CONFIDENCE

Enhance your digital security system. Combine ID Verify with ScreeningWorks Pro and Income Verification for a complete fraud management system compatible with Voyager, RentCafe and RentCafe CRM Flex.
