

Yardi® Procure to Pay

SMART AP

Accelerate invoice processing with our AI-powered OCR engine

Reduce your workload while enhancing efficiency and accuracy with an AI-powered optical character reader (OCR) directly in Yardi PayScan. This tool is a game-changer for busy AP accountants.

SAVE TIME

Offload data entry and focus on approvals to streamline processes.

INCREASE EFFICIENCY

Abstract key information faster with an AI-enabled system built into your workflow.

REDUCE OVERHEAD

Use AI to automate manual processes, reallocating team members to higher value tasks.

FEATURES

SMART AP

ELIMINATE PAPER INVOICES

Self-scan invoices or have vendors submit them directly to your designated email.

ABSTRACT DATA

Automatically abstract system data from invoices and import them nightly into Voyager.

IMPROVE ACCURACY

Ensure data accuracy by eliminating errors that may arise during manual entry.

MAINTAIN OVERSIGHT

Review and approve all invoices to ensure accuracy.

Finally, repetitive AP processes can be fully automated. Part of Yardi's Procure to Pay Suite, embedded in Yardi PayScan, Smart AP handles all mundane data entry so you can spend more time focusing on customer satisfaction and revenue-generating activities.
