

Yardi Voyager<sup>®</sup>

## YARDI VOYAGER LEGAL

---

Streamline legal management with an organized, accessible platform

Leverage Voyager workflows and efficiency to manage all current, pending and historical legal matters in a single database. Voyager Legal connects with accounts receivables to avoid collections on non-payment and holdover proceedings.

### **MANAGE EFFICIENTLY**

Organize and store activity information with easy-to-use legal cards. Maintain all relevant data to aid in document gathering for legal actions.

### **ACCESS EFFORTLESSLY**

Quickly find the information you need within your database.

### **STAY UP TO DATE**

Enhance visibility of potential legal actions and historical issues with configurable reports.

# FEATURES

## YARDI VOYAGER LEGAL

### COMPLETE MANAGEMENT

Efficiently manage multiple legal matters regarding residents and tenants. Define the legal actions that suit your needs.

### CONFIGURABLE DATA

Easily add, edit or delete legal cards.

### ROBUST REPORTING

Produce reports with printable late notice letters. Configure reports, legal notices and letters to tenants.

### AUTOMATED OPTIONS

Generate legal notice letters manually or in batches, automatically or semi-automatically.
