

YARDI VOYAGER PHA

Strengthen your PHA's operations with powerful compliance and property management software

Gain the convenience and efficiency of managing communities, residents, participants, compliance programs and finance on a single cloud-based platform. Voyager PHA excels at managing all property and program types, including RAD, layered subsidy, MTW and more.

SIMPLIFY ACCOUNTING

Facilitate AR/AP, budgeting and batches with a full general ledger.

IMPROVE COMPLIANCE

Automate certifications and report processes with leading practice workflows.

INCREASE OVERSIGHT

Drive transparency with centralized data and real-time compliance metrics.

FEATURES

YARDI VOYAGER PHA

PROPERTY MANAGEMENT

Oversee applicants, residents, participants, maintenance and assets all in one place.

FINANCIAL MANAGEMENT

Get a complete accounting system that meets GAAP requirements and the unique financial requirements of the PHA industry.

MOBILITY

Maximize productivity and service delivery with PHA solutions that leverage handheld and web-based technology.

COMPLIANCE & REPORTING

Ensure total compliance with PHA-specific workflows and reports for every major housing program and subsidy type.

PREPARE FOR THE NEXT GENERATION OF PHA MANAGEMENT

Yardi Voyager PHA is the foundation of the Yardi PHA Suite and the first step in uniting property management, compliance, finance, portals for applicants, residents, landlords and more on a single, connected solution.
