Ports

YARDI VOYAGER PORTS

Streamline your financial and real estate portfolio management with a single connected solution

Yardi Voyager Ports automates processes with role-based dashboards, workflows, critical date notifications and analytics to help increase efficiency and improve decision-making.

INCREASE FINANCIAL TRANSPARENCY

Gain portfolio-wide insight into port fees, charges and revenues in real time.

MAXIMIZE LEASING EFFICIENCY

Automate leasing and contract workflows.

CENTRALIZE DATA

Increase accuracy and save time by accessing information in a single database.

FEATURES

YARDI VOYAGER PORTS

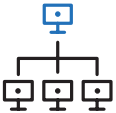

PORTFOLIO-WIDE FINANCIAL DATA

Drill down on all revenue sources across the port. Automate budgeting and forecasting. Easily import or export to other financial systems.

TARIFFS AND BILLING

Easily create tariff fees and invoices, calculate port-specific tariff rates and create individualized ledgers for each customer.

SINGLE CONNECTED SOLUTION

Reduce data errors and securely manage and collect documents in one system. Extend your reach by adding modules for online property listings and payments, fixed asset tracking, inventory control, maintenance and more.

ANALYTICS DASHBOARD

Track and manage property, lease and contract data in real-time with customized critical dates, tasks and notifications.
