VOYAGER 8

USER-FRIENDLY INTERFACE

Streamline leasing with automated legal rent calculations and compliance tools from an intuitive, user-friendly interface.

PROPERTY MANAGEMENT

Manage rent compliance, move-ins and maintenance while automating SCRIE/DRIE/ Pref credits and simplifying DHCR registrations.

### CENTRALIZED TASKS

Track and apply IAI and MCI improvements with DHCR-compliant calculations, ensuring accurate rent increase recoveries.

FINANCIAL MANAGEMENT

Simplify rent bill generation and distribution while enhancing accuracy, timeliness and resident communication through a comprehensive accounting system.

REGULATORY TRACKING

Generate and manage custom rent riders to ensure clarity and compliance for every lease.

BEST IN CLASS AND EASY TO USE

Yardi Voyager is the foundation of the Yardi Multifamily Suite, a connected platform that gives you one solution to attract renters, convert leads, manage resident experiences and optimize assets, with dedicated functionality compliance in New York.
