YARDI VOYAGER SOCIAL HOUSING

Enhance operations with a web-based platform for social housing property management, program tracking, accounting and more.

Gain the convenience and efficiency of managing communities, residents, case management, rent subsidies and finance on a secure integrated platform.

SIMPLIFY ACCOUNTING

Facilitate AR/AP, budgeting and batches with a full general ledger.

IMPROVE COMPLIANCE

Automate rent-geared-to-income calculations, correspondence and provincial reporting.

INCREASE OVERSIGHT

Drive transparency with centralized data and real-time compliance metrics.

YARDI VOYAGER SOCIAL HOUSING

PROPERTY MANAGEMENT

Set up new leases, process move-ins and move-outs, store resident and landlord contact histories and more in one platform.

FINANCIAL MANAGEMENT

Get a complete accounting system that helps meet provincial regulations and offers real-time general ledger data processing and more.

MAINTENANCE

Save time and money by integrating mobile apps with Voyager to easily complete unit inspections and track maintenance.

MOBILITY

Maximize productivity and service delivery with secure social housing technology accessible from anywhere at any time.

MAXIMIZE COMPLIANCE

Integrate provincial tenancy regulations to your workflows and automate data collection to ensure reporting accuracy.

REPORTING & ANALYTICS

Run customizable reports to gain insight into resident services, rent subsidies, accounting and property management.

PREPARE FOR THE NEXT GENERATION OF SOCIAL HOUSING MANAGEMENT

Yardi Voyager Social Housing is the foundation of the Yardi Social Housing Suite and the first step in uniting property management, compliance, finance, portals for applicants, residents, landlords and more on a single, connected solution.
