Yardi® Kube

YARDI KUBE ACCESS CONTROL

Automate door access throughout your coworking locations

These integrations allow operators to manage their access control within Yardi Kube Space Management providing further automation and efficiency.

Members manage their access through the Yardi Kube member app to immediately gain entry to rooms they've already booked online or in the app.

24/7

INCREASE REVENUE

Automate and deliver 24/7 meeting room access.

REDUCE COSTS

Increase efficiency with centralized door management.

IMPROVE RETENTION

Differentiate your space with ease of access.
