

YARDI KUBE OPERATOR PORTAL

Manage operational and financial tasks from anywhere

Power your coworking space with an operator portal that gives your team secure access to work when and where they need to. Increase visibility into your business and improve service to your members.

MAXIMIZE EFFICIENCY

Speed up tasks and reduce redundancies with convenient mobile access to a centralized database.

STREAMLINE FINANCIALS

Eliminate manual paperwork and excess manpower with automated billing and payment processes.

IDENTIFY TRENDS

Gain visibility into valuable metrics and KPIs to ensure your workspace is optimized for profitability.

FEATURES

YARDI KUBE OPERATOR PORTAL

AUTOMATED BILLING

Easily track open invoices, member balances and overdue amounts. Facilitate all reconciliation and payment processes.

DEALS OVERVIEW

Manage existing deals and prospective leads with a complete overview into activity, statistics, scheduling and more.

EXTENSIVE REPORTS

Benefit from 20+ available reports. Track everything from rent rolls and income details to liability statements and lead summaries.

BOOKINGS CALENDAR

View reservations throughout your coworking space. Use analytics to simplify decisions on layout and space availability.

DATA INTEGRATION

Share data automatically between the prospect, member and operator portals for a seamless user experience.

EMPOWER OPERATION WITH A SINGLE CONNECTED SOLUTION

Manage all financial and operational components of your business in the operator portal, part of the Yardi Kube Suite of coworking solutions. Oversee every aspect of your workspace, from lead generation and conversion through member lifecycle and retention.
