Yardi® Kube

YARDI KUBE SPACE MANAGEMENT PROFESSIONAL

Combine prospect and member management with enterprise-level accounting and reporting

Increase efficiency and improve scalability with a single connected solution for coworking property management. Leverage three integrated portals to attract prospects, retain members and automate operations while centralizing financial management.

ATTRACT NEW MEMBERS

Showcase your space, amenities and offerings with a white label prospect portal.

FACILITATE SELF-SERVICE

Enhance member communication, automate bookings and make purchases through a member portal.

AUTOMATE FINANCIAL PROCESSES

Increase visibility into business metrics with automated billing and payment processes, along with detailed analytics and reporting.

yardikube.com

YARDI KUBE SPACE MANAGEMENT PROFESSIONAL

PROSPECT PORTAL

Complete transactions, sign new members, market your space and provide real-time availability.

MEMBER PORTAL

Allow members to view complete billing details, easily reserve desk and meeting space, engage with other members and make purchases through an online marketplace.

OPERATOR PORTAL

Eliminate manual billing and paperwork, increase revenue and gain insights to valuable metrics and KPIs. Work from anywhere with access to a centralized mobile database.

VOYAGER ACCOUNTING

Streamline financial management by integrating with Yardi Voyager, the industry standard for real estate accounting.

ySIGN INTEGRATION

Accelerate contract execution by enabling members to sign agreements electronically via secure online application.

COMPREHENSIVE APIs

Leverage industry integrations to customize the technology stack that's right for your business.

YARDI INTEGRATION

Increase operational efficiency by connecting to Yardi Procure to Pay and scale with confidence.
