

Yardi® Kube

YARDI KUBE SPACE MANAGEMENT

Manage prospects, members and operations with an end-to-end flexible workspace solution

Increase efficiency and improve scalability with a single connected solution for coworking property management. Leverage the benefits of three integrated portals to attract prospects, retain members and automate administration and billing.

ATTRACT NEW MEMBERS

Showcase your space, amenities and offerings with a white label prospect portal.

FACILITATE SELF-SERVICE

Enhance communication and member experience with automated bookings and enable online services through the member portal.

SAVE TIME

Streamline daily operations with centralized marketing, billings and member management.

FEATURES

YARDI KUBE SPACE MANAGEMENT

PROSPECT PORTAL

Complete transactions, sign new members, market your space and provide real-time availability.

MEMBER PORTAL

Give members the ability to view billing details, reserve desk and meeting space, engage with other members and make purchases online.

OPERATOR PORTAL

Eliminate manual billing and paperwork, increase revenue and gain insights to valuable metrics and KPIs. Work from anywhere with access to a centralized mobile database.

MOBILE APP

Encourage connection with a community message board and member directory accessible from any device.

SINGLE CONNECTED SOLUTION

Integrate with Yardi Kube IT Management for secure, customizable Wi-Fi, voice and door access control.
