

Yardi® MH Manager

YARDI MH MANAGER

Build your business with a sophisticated accounting, leasing & management solution

Take control of your entire manufactured housing portfolio, going above and beyond the capabilities of Yardi's standard community management software. The system ensures complex financials are easy to manage with trusted, built-in functionality that includes custom reporting and intercompany accounting.

CENTRALIZE DATA

Work smarter from an enterprise system that provides a single source of truth for all resident and community data.

SIMPLIFY ACCOUNTING

Trust your financials are accurate with the most comprehensive AP, AR and GL system in the industry.

REDUCE COSTS

Go all in with the Yardi MH Suite and save money and gain efficiencies with a single stack solution.

YARDI MH MANAGER

HOME & LOT MANAGEMENT

Customize and manage home and lot availability with advanced inventory tracking tools.

VIOLATION MANAGEMENT

Track, process and communicate violations from a single dashboard.

LOAN SERVICING

Service home loans and track custom loan charges with amortization tables.

IMPROVE COLLECTIONS

Allow easy, efficient resident payments via debit, credit card and ACH.

WORK ORDERS & INSPECTIONS

Manage maintenance tasks and complete detailed home or lot inspections with an intuitive dashboard.

OPTIONAL ADD-ONS

Ask how to extend functionality with advanced marketing, procurement, investment management and more.

THE PERFECT BLEND OF SIMPLICITY & SOPHISTICATION

Yardi MH Manager matches robust accounting with a streamlined interface that's easy for site staff to use for daily operations. And because MH Manager is in the cloud, users can access the system from anywhere.
