

Yardi® Storage Manager

## YARDI STORAGE MANAGER

---

Build your business with a sophisticated accounting, leasing & management solution

Take control of your entire self storage portfolio, going above and beyond the capabilities of Yardi's standard facility management software. The system ensures complex financials are easy to manage with trusted, built-in functionality that includes custom reporting and intercompany accounting.

### **CENTRALIZE DATA**

Work smarter from an enterprise system that provides a single source of truth for all tenants and facility data.

### **SIMPLIFY ACCOUNTING**

Trust your financials are accurate with the most comprehensive AP, AR and GL system in the industry.

### **REDUCE COSTS**

Go all in with the Yardi Self Storage Suite and save money and gain efficiencies with a single stack solution.

# FEATURES
